

## Acra-Plant Cultivator Points & Sweeps

Acra-Plant Acra-Tuff Alloy Points and Sweeps are made in USA and will wear 3–4 times longer than hardfaced high-carbon steel cultivator tools and up to 6 times longer than plain high-carbon tools! Acra-Plant points and sweeps will wear sharp and hold their shape throughout their long wear life. You'll reduce downtime, especially on really wide implements.

All cultivator tools come with mounting hardware and the 871-series points and sweeps, and 860-series Danish tine tools come with a neoprene spacer to assure proper fit and absorb shock.

### Standard Mount Field Cultivator Tools

Part #	Description	Weight
AP-871101	2-3/4" Field cultivator point, with hardware and wedge <ul style="list-style-type: none"> <li>• 2 Holes on 2" shank hole spacing</li> <li>• Casting # 871101</li> </ul>	2.15

AP-871101

Part #	Description	Weight
AP-871201	2-3/4" Field cultivator point, with hardware and wedge <ul style="list-style-type: none"> <li>• Hole and slot mounting accommodates 1-5/8" to 1-3/4" spacing</li> <li>• Casting # 871201</li> </ul>	2.20

AP-871201

Part #	Description	Weight
AP-871107	7" Field cultivator sweep, with hardware and wedge <ul style="list-style-type: none"> <li>• Hole and slot for 1-5/8" to 2" shank hole spacing</li> <li>• Casting # 871107</li> </ul>	4.50

AP-871107

Part #	Description	Weight
AP-871109	9" Field cultivator sweep, with hardware and wedge <ul style="list-style-type: none"> <li>• Hole and slot for 1-5/8" to 2" shank hole spacing</li> <li>• Casting # 871109</li> </ul>	5.00

AP-871109

All of these points and sweeps come with a neoprene wedge and mounting hardware to assure perfect fit on your equipment
