

ShieldAg Pry Bars

Order yours today!

ShieldAg pry-bars are the hottest thing going for farm equipment dealerships and small fab shops. Take advantage of this hot selling pair of **Made in the USA** pry-bars. There isn't a shop around that doesn't own a half dozen wrecking bars, these pry-bars are a great door opener for the salesman trying to talk to the man in charge of the shop.

ShieldAg pry-bars are manufactured from the finest chromium spring steel available. This material is fine-grained double-rolled 5160 chromium-manganese steel that is heat treated and tempered for 150,000 psi strength, durability and toughness that cannot be matched by cheap imported pry-bars. ShieldAg pry-bars are manufactured using material that wrecking bars *used to be* made out of — 100% Made in USA.
